**DRAFT GENERAL ORDER NUMBER
(Chapter 13 Plan Administration)**

In order to administer the provisions of ¶ 9 of the Mandatory Chapter 13 Plan in this District, as soon as practical after the expiration of the bar date for filing of governmental claims the Chapter 13 Trustee shall analyze the sufficiency of debtor's confirmed plan payments to fund claims as filed.

If the plan remains feasible, Trustee shall file a Trustee's Report of Confirmation in the form attached hereto and commence disbursements in Trustee's discretion.

If the confirmed plan is underfunded based on claims filed and allowed, Trustee shall file and serve on debtor and debtor's counsel a Motion to Dismiss enumerating the reason(s) why the plan is not feasible. Debtor or debtor's counsel shall not later than twenty (20) days after the date of service of the Motion to Dismiss, file a "Response to Trustee's Motion to Dismiss" and shall simultaneously file any separate objection to claim(s), or modified plan necessary to cure the feasibility issue raised by the Trustee. If no pleading entitled "Response to Motion to Dismiss" is timely filed, the case will be dismissed without further notice or hearing.

If debtor or debtor's counsel files timely responsive pleadings as enumerated above, a hearing will be scheduled on the Trustee's Motion to Dismiss and Debtor's Modification, Objection to Claim(s) or other responsive pleading.
